2. <u>Format.</u>			
<p>a. Class 1 ECPs require the "Long Form Procedure" for documenting the change and describing the effects of the change on the suitability and supportability of the Configuration Item (CI). Class I ECPs should be limited to those that are necessary or offer significant benefit to the Government. Class I ECPs are those that affect the performance, reliability, maintainability, survivability, weight, balance, moment of inertia, interface characteristics, electromagnetic characteristics, or other technical requirements in the specifications and drawings. Class I ECPs also include those changes that affect Government Furnished Equipment, safety, compatibility, retrofit, operation and maintenance manuals, interchangeability, substitutability, replaceability, source control specifications and drawings, costs, guarantees or warranties, deliveries, or schedules. Class II ECPs are those that do not affect form, fit and function, cost, or schedule of the system CI and do not meet the other criteria described above for Class I ECPs.</p>			
<p>b. Long Form Procedure: Class I changes to the CI require that AMSAM-RD Form 523, pages 1 through 7 (as applicable), be prepared. Use of this procedure assures that all effects of the change on the CI are properly addressed and documented to the necessary detail to allow proper evaluation of the proposed change.</p>			
<p>c. Short Form Procedure: ECPs and VECs , which meet the requirements of Class II ECPs, shall be prepared using AMSAM-RD Form 523 (page 1 only). Supplemental pages may be used with the form as necessary. g. Classification of RFDs/RFWs.			
<p>(1) Major RFDs/RFWs. RFDs/RFWs written against CIs shall be designated as major when the RFD/RFW consists of acceptance of an item having a nonconformance with contract or configuration documentation involving health; performance; interchangeability; reliability; survivability; maintainability; effective use or operation; weight; appearance (when a factor); or when there is a departure from a requirement classified as major in the contractual documentation.</p>

PILOT MENTOR-PROTEGE PROGRAM

NOV/2006

1. The Pilot Mentor-Protege Program (MPP) assists small businesses (Proteges) to successfully compete for prime contract and subcontract awards by partnering with large companies or graduated 8(a) firms (Mentors) under individual, project-based Agreements.

2. a. A Mentor firm must be currently performing under at least one active approved subcontract negotiated with DoD or another Federal agency pursuant to FAR 19.702, and be currently eligible for the award of Federal contracts. New mentor applications must be approved and must be submitted to the Office of Small Business Programs (OSBP) of the Cognizant Military Service or Defense Agency (if concurrently submitting a reimbursable Agreement) or to the DoD OSBP, prior to the submission of an Agreement. Mentors and Proteges are solely responsible for finding their counterpart. Legislatively, DoD OSBPs participation in the teaming of partnering Mentors and Proteges is prohibited. Therefore, firms are strongly encouraged to explore existing business relationships to establish a Mentor-Protege relationship.

b. Graduated 8(a) firms may be mentors. To be eligible to participate as a mentor, an 8(a) firm must be --

1) A graduated 8(a) firm that provides documentation of its ability to serve as a mentor;

2) Approved to participate as a mentor in accordance with DFARS Appendix I-105; and

3) A graduate of the 8(a) program. A firm's graduation can be validated by either

(a) The Small Business Dynamic Search link of the Central Contractor Registration (CCR) (<http://www.ccr.gov/>) if the firm retains its small business size, or

(b) Contacting the graduated 8(a) firm's SBA District Office.

3. A Protege firm must be either a small disadvantaged business (SDB), a qualifying organization employing the severely disabled, a women-owned small business (WOSB), a service-disabled veteran-owned small business (SDVOSB), or a historically underutilized business zone (HUBZone). Protege certifications are available from the following sources: for SDB, contact the Small Business Administration (SBA) for certification; for a WOSB, self-certification is sufficient; for an organization employing the severely disabled, they must comply with Section 8046A PL 102-172; for a SDVOSB, they must meet the standards set in Section 8(d)(3) of the Small Business Act (15 U.S.C. 637(d)(3)); and for a HUBZone Small Business, this is a determination to be made by the SBA in accordance with 13 C.F.R. Part 126.

4. Utilization of the Pilot Mentor-Protege Program (hereafter referred to as the "Program") is encouraged. Under the Program, eligible companies approved as mentor firms enter into mentor-protege agreement with eligible protege firms. The goal of the program is to provide appropriate developmental assistance to enhance the capabilities of the protege firm. The Mentor firm may be eligible for cost reimbursement or credit against their applicable subcontracting goals.

5. There are two types of DoD MPP Agreements; direct reimbursement or credit. Direct reimbursed Agreements are those in which the Mentor receives reimbursement costs of developmental assistance provided to the protege. These Agreements are approved by the OSBP of the Cognizant Military Service or Defense Agency as outlined in the Defense Federal Acquisition Supplement (DFARS) Appendix I. Credit Agreements are those in which the Mentor receives a multiple of credit toward their SDB subcontracting goal based on the cost of developmental assistance provided to the Protege. Credit Agreements are currently approved by the Defense Contract Management Agency (DCMA). MPP Agreements must meet the requirements set forth in DFARS Appendix I and the Agreement template. For direct reimbursed Agreement submissions, the Agreement proposal should be submitted to the OSBP of the Cognizant Military Service or Defense Agency. For credit Agreements, the Agreement proposal should be submitted to DCMA. Credit Agreements start on the day they are approved. Direct reimbursement Agreements start on the date that the specific contract vehicle is modified. Mentors cannot incur cost for credit or reimbursement until the Agreement has been approved. Semi-annual reports, annual DCMA performance reviews and Protege 2-year out reports are required for each DoD MPP Agreement.

6. Mentor firms are encouraged to identify and select protege firms from concerns that are defined as: Certified Small Disadvantaged Business, Qualified organization employing the severely disabled, Women-Owned Small Business, Indian-Owned Small Business, Native Hawaiian Organization-Owned Small Business, Qualified HUBZone Small Business, or Service-Disabled Veteran-Owned Small Business.

7. Full details of the program are located at http://www.acq.osd.mil/osbp/mentor_protege/, <http://sellingtoarmy.info/>, DFARS Appendix I, and DFARS Subpart 219.72, "Pilot Mentor-Protege Program", or, call the Mentor-Protege Hotline at (800) 540-8857.

L-8 52.211-4009 SPECIAL NOTICE OF CONTRACTOR RESPONSIBILITIES FOR COMPONENTS AND TOOLING (USAAMCOM) OCT/1992

Offerors are cautioned to carefully review all specifications in order to identify required, restricted vendor components and sources. When such restrictions apply, only components from such approved sources, manufactured to the same quality standards required by the source approval activity, may be used in manufacturing the end item. It is the responsibility of the bidder/offeror to make arrangements for obtaining required components, forgings or castings, and any necessary tooling, including but not limited to permission from the owner to use any and all tooling, dies, fixtures and facilities necessary to produce the required components, forgings or castings. Before award, offeror may be required to document provisions made for obtaining required components, forgings, castings and any other tooling.

L-9 52.215-4716 PARTICIPATION IN THE PARTNERING PROCESS (USAAMCOM) MAY/2003

In an effort to most effectively accomplish the objectives of this contract, it is proposed that the Government, the contractor, and its major subcontractors engage in the Partnering process.

Participation in the Partnering process is entirely voluntary and is based upon a mutual commitment between Government and industry to work cooperatively as a Team to identify and resolve problems and facilitate contract performance. The primary objective of the process is providing the American warfighter with the highest quality supplies/services on time and at a reasonable price. Partnering requires the parties to look beyond the strict bounds of the contract in order to formulate actions that promote their common goals and objectives. It is a relationship that is based upon open and continuous communications, mutual trust and respect, and the replacement of the "us vs. them" mentality of the past with a "win-win" philosophy for the future. Partnering also promotes synergy, creative thinking, pride in performance, and the creation of a shared vision for success.

After contract award, the Government and the successful offeror will decide whether or not to engage in the Partnering process. Accordingly, offerors shall not include any anticipated costs associated with the implementation of the Partnering process in their proposed cost/price (e.g., cost of hiring a facilitator and conducting the Partnering Workshop). If the parties elect to partner, any costs associated with that process shall be identified and agreed to after contract award.

The establishment of this Partnering arrangement does not affect the legal responsibilities or relationship of the parties and cannot be used to alter, supplement or deviate from the terms of the contract. Any changes to the contract must be executed in writing by the Contracting Officer.

L-10 52.219-4000 SUBMISSION OF SUBCONTRACTING PLAN (USAAMCOM) OCT/2000

(a) Offeror's attention is directed to FAR 52.219-9, "Small Business Subcontracting Plan", which is incorporated by reference in Section I of this solicitation. The clause requires large businesses to submit a subcontracting plan for small and small disadvantaged business concerns. Such plans are not required from offerors that are small businesses.

(b) AMCOM requires five copies of each subcontracting plan. Large businesses may submit these copies of their plans (i) as an attachment to their offer in response to this solicitation; or (ii) after the bid opening/proposal closing date, in response to the Government's telephonic request (in which case the copies must be provided within five workdays of the date of the request).

(c) The contractor shall mark each page of the subcontracting plan with the solicitation number and date. If this is a negotiated acquisition, the Government reserves the right to negotiate any and all elements of the proposed plan during negotiation of cost, technical, and/or managerial features of the proposal.

(d) Failure to submit and, if applicable, negotiate an acceptable subcontracting plan which, in the judgement of the Contracting Officer, provides the maximum practicable opportunity for small business and small disadvantaged business concerns to participate in the awarded contract shall render the offeror ineligible for award. Offerors should be aware of the statutory goal that has been placed on the Department of Defense to award five percent of its total planned subcontracting dollars to small disadvantaged businesses (including Historically Black Colleges and Universities and Minority Institutions) at the prime contract and subcontract levels. In view of this Congressional mandate, large businesses shall provide specific explanation as part of any written subcontracting plan furnished in response to this solicitation/contract that identifies a goal for subcontracting to small disadvantaged business concerns and/or Historically Black Colleges and Universities and/or Minority Institutions that, in the aggregate, amounts to less than five percent of the bid or proposal's total subcontracting dollars.

L-11 52.229-4000 CALIFORNIA SALES AND USE TAX (USAAMCOM) AUG/2001

If this contract contains either the clause at FAR 52.245-2, Government Property (Fixed-Price Contracts), or 52.245-5, Government Property (Cost- Reimbursement, Time-and-Material, or Labor-Hour Contracts), California sales tax on the purchase of any tangible personal property for the performance of this contract is not an allowable cost. Such purchases can be made tax-free by giving California vendors resale certificates, the form for which is prescribed by California tax authorities. This California sales tax exemption does not apply to the purchase of any property to be incorporated into real property located in California.

The HQ, AMC-Level Protest Program is intended to encourage interested parties to seek resolution of their concerns within AMC as an Alternative Dispute Resolution forum, rather than filing a protest with the General Accounting Office or other external forum. Bidders/Offerors are expected to furnish information that will assist the contracting officer in deciding whether to support any such request.

(b) Any Government-owned production property which may be in the possession of a Bidder/Offeror or its subcontractors may, if approval for use can be obtained from the cognizant Contracting Officer, be authorized for use on a rent-free basis, subject to the evaluation factors set forth in the Section M Provision entitled "Evaluation Procedures to Eliminate Competitive Advantage From Rent Free Use of Government-Owned Production and Research Property". Bidders/Offerors desiring to use such property must (i) identify it specifically (generalized identification such as by reference to a Government contract or schedule thereof, under which such property is held, is not sufficient identification and is not acceptable to the Government), (ii) list the Government's acquisition cost and location of each line item of such property, (iii) furnish proof that the cognizant Contracting Officer has authorized its use, (iv) identify the facilities contract or other instrument under which the property is held, (v) indicate the months during which such property will be available for use on this contract, including the first, last, and all intervening months, and (vi) with respect to any such property which will be used concurrently in the performance of two or more contracts, indicate the amounts of the respective uses in sufficient detail to support the prorating required by FAR 45.205(b)(3), provided Bidders/Offerors requesting rent-free use in accordance with paragraph (c) of the provision in Section M entitled "Evaluation Procedures to Eliminate Competitive Advantages From Rent-Free Use of Government-Owned Production and Research and Property" may limit their details to those specified therein.

(c) No use of Government-owned production property shall be authorized unless such is approved in writing by the cognizant Contracting Officer and either (i) rent is charged, (ii) the contract price is reduced by an equivalent amount, or (iii) rent-free use is evaluated by factors set forth herein.

NOTE: In responding to Invitations For Bids only, Bidders who condition their bids on use of Government-owned production property, who do not furnish all the information required by paragraph (b) above prior to the time set for bid opening, shall be considered non-responsive.

In sealed bid procurements, if the bidder states that its bid is based on rent-free use but fails to submit any element of (1), (2), or (3), the bid will be considered to be nonresponsive. In negotiated procurements, if the offeror states that its proposal or quotation is based on rent-free use, but fails to submit any element of (1), (2), or (3) and the issue is not resolved during negotiations, the Contracting Officer may decide to consider the offer only upon the payment of rent. In this event, any resulting contract will be so noted and, thereafter, rent-free use will only be authorized upon payment of consideration to the Government. In accordance with FAR 45.201(a), a rental equivalent factor will not be applied to negotiated procurements when application of the factor would not affect the choice of contractors.

EVALUATION OF INDEFINITE QUANTITY PRICING

THE GOVERNMENT WILL EVALUATE OFFERS FOR AWARD PURPOSES BY ADDING THE TOTAL PRICE FOR ALL ITEMS IDENTIFIED IN SECTION B OF THE SCHEDULE AT THE ESTIMATED QUANTITIES THEREIN STATED. EVALUATION OF QUANTITIES IN THIS MANNER WILL NOT OBLIGATE THE GOVERNMENT TO ORDER THE ESTIMATED QUANTITIES OR TO DISTRIBUTE ORDERS IN THE MANNER EVALUATED.

THE GOVERNMENT MAY REJECT A BID AS NONRESPONSIVE OR A PROPOSAL AS UNACCEPTABLE IF IT IS MATERIALLY UNBALANCED AS TO PRICES OFFERED FOR ITEMS. AN OFFER IS UNBALANCED WHEN IT IS BASED ON PRICES SIGNIFICANTLY LESS THAN COST FOR SOME WORK AND PRICES WHICH ARE SIGNIFICANTLY OVERSTATED FOR OTHER WORK.

BIDS/OFFERS SHALL BE EVALUATED AND AWARD MADE TO THE RESPONSIVE, RESPONSIBLE OFFEROR WHOSE OFFER REPRESENTS THE LOWEST OVERALL COST TO THE GOVERNMENT.

NOTE: WHEN VARYING PRICES ARE OFFERED, DEPENDING ON QUANTITY ORDERED OR TIME OF THE ORDER WITHIN AN ORDERING PERIOD, THE PRICES OFFERED SHALL BE EVALUATED AT THE HIGHEST POSSIBLE COST TO THE GOVERNMENT BASED ON THESE PRICES AND THE DELIVERY ORDER LIMITATIONS STATED ELSEWHERE HEREIN.
